Construction Opportunities Roadshow – Doing business in Brazil, Russia, Turkey, Mexico and the Gulf region

FREE
EVENT

Rapid growth in the construction sector in these markets offers huge opportunities to UK construction companies. This event will give UK construction companies valuable information about the range of opportunities available in these rapidly developing export markets.

This interactive event is free of charge and will allow you to:

- Understand the business opportunities in the markets of Brazil, Russia, Turkey, Mexico and the Gulf region and what construction services and products these markets want to buy
- Identify the funding opportunities for overseas visits and export initiatives
- Establish the best routes to access these dynamic markets
- Gain specific advice to develop your links with these overseas markets
- Benefit from case studies of successful construction exporting companies
- Receive support on the identification of potential markets and much more
- Receive valuable market reports on Brazil, Russia, Turkey, Mexico and the Gulf Region – designed to help your business begin exporting to these countries

Because this is a free event, places are limited. Reply NOW using the attached reply card and we will send you a map and more details on the itinerary for the day. You will also receive a buffet lunch and refreshments throughout the day.

For further information contact Kim Newton. Tel: 02476 236290, Fax: 02476 236294. Email: kim@btob.co.uk
