## About Glenigan

Glenigan combines comprehensive data gathering and exhaustive research with detailed statistical modelling and expert analysis, to deliver a trusted insight into UK construction trends and activity.

Glenigan customers include construction companies, manufacturers and suppliers of materials used in construction projects, as well as specialist service providers including recruitment agencies, financial institutions, IT and telecoms companies.

## Companies choose Glenigan because

- We help companies win more contracts, increase profits, build the right company relationships and make informed sales pitches to the right people at the right time.
- Our customers reduce risk, identify new business opportunities, track and forecast market trends.
- We enable companies to increase efficiency by spending less time searching for and interpreting information and more time using it.

Endorsed by The Chartered Institute of Building, you can be confident that Glenigan will deliver exceptional service, value and return on your investment.

For more information go to [www.glenigan.com](http://www.glenigan.com).

## About WMCCE

The West Midlands Centre for Constructing Excellence (WMCCE) supports business improvement programmes to help to help companies increase productivity, improve business processes, implement innovative technologies, adopt best practice and train the workforce. It does this by promoting:

- The Constructing Excellence agenda (Latham and Egan), helping to bring about a culture change within the construction industry;
- The Climate Change Sustainability agenda, now considered to be almost inextricably linked to Constructing Excellence; and
- The Skills agenda, encouraging more people into the industry at all levels, helping them to find the right training.

All of this is facilitated by WMCCE's role as a "knowledge hub" within the construction industry, collecting information and disseminating it, and by communication with industry stakeholders including client organisations, consultants, contractors and suppliers, as well as the universities, colleges and professional bodies (institutions etc.).

For more information, go to please visit [www.wmcce.org](http://www.wmcce.org)
